

ASSISTANT HEADTEACHER VACANCY

Baskerville School

Location: Fellows Lane, Harborne, Birmingham, B17 9TS

Start date: 1st September 2025

Salary: L12-L16

Hours: Full-time

Contract type: Permanent

Reporting to: Headteacher

Responsible for: Key Stage 3 Staff

Teaching commitment: Up to 3 days per week (depending on organisational needs)

Our Assistant Headteachers are driven by the belief that even the smallest positive change in a young person's life matters. That's why we take time to celebrate the little things. There are many ups and downs, and for some of our students, simply managing to sit through a lesson can be a significant achievement — moments that may seem minor on the surface but collectively make a meaningful and lasting impact.

As an Assistant Headteacher, you'll be supporting children and young people with autism spectrum disorder. Working closely with the Headteacher and the senior leadership team, you will help shape the school's vision and direction, ensuring we have the right team and strategies in place, so our students feel proud of their achievements.

This role calls for resilience and dedication. While the journey can be challenging, the progress you'll help our students make will be incredibly rewarding.

At Baskerville School, you'll be fully supported to thrive — with guidance from a skilled and experienced leadership team, and access to a wide network of specialist professionals. As a proud member of The Birmingham Special Schools' Co-operative Trust (BSSCT), we benefit from strong collaboration and shared expertise across the Trust, all focused on delivering the best outcomes for our young people.

You'll work alongside passionate colleagues who are experts in their fields, and you'll never be alone in your journey — we'll be with you every step of the way as you build a meaningful and fulfilling career in education.

It's also an exciting time to join us, as Baskerville School is currently undergoing a major rebuild. Our brand-new, purpose-built school will open in

September 2026, creating an inspiring environment for both staff and students.

Closing date: Monday 9th June 2025 at 9:00am

Interviews: w/c 9th June 2025
