## Message from the Headteacher- Mr. Lacey

Dear Parents and Families,

As we reach the end of another half term, I want to express my gratitude for your outstanding support throughout these past months. It has been a challenging time and will continue to be so for the year or so, with the new build and our temporary accommodation at Windsor School. However, with your continued support, we are all building something special here for our children. The priority for the next half term is ensuring that all pupils are prepared as far as possible for their next steps in September, whether that be them leaving school or being prepared for the next class group.

Together we need to get this right, and together we can achieve this. On that note, we will be sending out details of the children and young people's classes, their teacher and classroom support staff and their friends straight after the holidays.

## Key Events

- **Half-Term: Monday 26<sup>th</sup>-Friday 30<sup>th</sup> May.**
- **Students return to school: Monday 2<sup>nd</sup> June.**

## Medical appointments

A gentle reminder, please can medical appointments be booked outside of the school day to avoid disruption to student's education. We do however understand this is not always possible. Please also ensure appointment letters are sent or emailed to reception for attendance purposes. **School should be informed at least 48 hours before appointments and a copy of the letter**

**should be seen.**

## Windsor Transition visits

Windsor transition visits are well under way for our Year 9 students. Paul produced a timetable for students to attend Windsor and partake in transition activities.

## Parent communication group

Thank you to parents who attended the communication meeting on Tuesday. Mr

Lacey and members of the senior leadership team attend these meetings to gain feedback on what is going well for your child and any improvements we can offer. General issues are also discussed as Mr Lacey is keen for parental involvement and input. The meetings are at Baskerville School and there is also the opportunity to attend virtually via Microsoft teams. **The next meeting is on Tuesday 3<sup>rd</sup> June at 2pm.**
